

Fishing

Preparation:

Before class, make fish per instructions in the craft, "Fish Net." Make two fish per child. Bring the fish to class and use them as demonstration aids for this Show and Tell. Place the fish on the floor around the room. After the game is over, use the fish for the craft, "Fish Net."

What to Tell Them:

We are going fishing. I want everyone to find fish and bring them to me. Peter, James and John were fishing like we are. Jesus came and said, "Follow me." They decided to follow Jesus. Jesus wants you to follow Him also. Jesus loves you and will take care of you.
