

Near to God

Preparation:

You will need a comfortable chair where you can sit and hold a child on your lap.

What to Tell Them:

Who would like to help me tell this story? *Choose a child and have them sit in your lap.*

God is so big and so strong. He is the creator of the whole world. But even though He is so big, He doesn't want to be far away from you. He wants to be near you. He wants you to know Him.

It's just like when I sit down in this chair and have *child's name* come and sit on my lap. I do this just so that I can talk with *child's name*. I not only want to talk with *child's name*, but with each of you. God is the same. He wants to be near you.
